Solar City	Tour Invitation Letter
Now that Solar City is completed, le	et's invite our principal to see it by writing a persuasive letter.
<ul> <li>Part 1: Start off with an invitation for a tour of the solar city.</li> <li>How will you get him/her excited about the tour?</li> <li>Tell him/her about your building and explain how the solar panel is used.</li> </ul>	
• Why is a solar array a good/bad	chool? How can they help the environment?
