Dye Technical Data Sheet

1. Dye source material:

2. Dye source material RGB value:

3. Dye solvent:

4. Calculate % concentration for dye solution:

5. Method used for extraction:

6. Dye RGB value:

7. Comparison to RGB value of original dye source:

8. Material Applications:

Material	Visible color	R-value	G-value	B-value
i.e. wood/ cotton/ nylon
