Climate Change Education Act

The screenshot shows the CONGRESS.GOV website interface. At the top, there are navigation links for "Advanced Searches" and "Browse", along with "Search Tools", "Support", and "Sign In". Below this is a search bar with "Legislation" selected and a search icon. The main content area displays the title "S.477 - Climate Change Education Act" for the 116th Congress (2019-2020). A "BILL" tab is active, and a "Hide Overview" button is visible. The "Sponsor" is Sen. Markey, Edward J. (D-MA), introduced on 02/13/2019. The "Committees" listed are Senate - Commerce, Science, and Transportation. The "Latest Action" is "Senate - 02/13/2019 Read twice and referred to the Committee on Commerce, Science, and Transportation." A "Tracker" shows the bill's progress: Introduced (active), Passed Senate, Passed House, To President, and Became Law. On the right, there are links for "More on This Bill" (CBO Cost Estimates [0]) and "Subject — Policy Area: Environmental Protection" (View subjects >). Below the tracker, there are tabs for "Summary (1)", "Text (1)", "Actions (1)", "Titles (2)", "Amendments (0)", "Cosponsors (19)", "Committees (1)", and "Related Bills (1)". The "Summary" tab is selected, showing a "Summary: S.477 — 116th Congress (2019-2020)" with a link to "All Information (Except Text)". A "Listen to this page" button is also present. The summary text states: "There is one summary for S.477. Bill summaries are authored by CRS." Under "Shown Here:", it lists "Introduced in Senate (02/13/2019)" and "Climate Change Education Act". The bill's purpose is described: "This bill declares that the evidence for human-induced climate change is overwhelming and undeniable. The National Oceanic and Atmospheric Administration (NOAA) must establish a Climate Change Education Program to..." followed by a bulleted list of goals: increase climate literacy, apply latest scientific discoveries, and help people understand and promote implementation of new technologies. It concludes with "NOAA must also establish a grant program for climate change education."
