Raise the Roof! Reflection Worksheet

Instructions: Answer the following questions.

1. How were you able to determine the sustainability issues in the country of Ghana?
2. What materials did the initial prototype of your roof consist of?
3. What materials did the final product consist of, and why?
4. What did you learn during this process?
5. If you had to do it all over again, what would you change?
6. What issue does this activity help to solve?
