## Student Presentations Grading Rubric

Content	Score
<ul style="list-style-type: none"><li>Was the information on the presentation complete? Did it answer the question well?</li><li>Did the presenter touch on the main idea, or did they talk about something that was not relevant to the topic?</li><li>Was the presentation thorough, and were complete thoughts and ideas behind it?</li><li>Did the presenter convey the knowledge they learned in an understandable form (i.e., did it make sense)?</li><li>Are they able to explain the project further if they are asked questions? Can they extend their knowledge to something more than what is on the slides?</li></ul>	2 4 6 8 10
Mechanics	Score
<ul style="list-style-type: none"><li>Did the presenter make eye contact when talking? Did they have a presence when they were talking in front of everyone?</li><li>Were you always able to hear the presenter? Did their audio cues match the visual cues?</li></ul>	2 4
Appearance	Score
<ul style="list-style-type: none"><li>Were appropriate grammar and spelling used in the presentation?</li><li>Are the aesthetics professional and easy to read?</li><li>Is the presentation cohesive?</li></ul>	2 4 6
