Teacher’s Zoom Booklet Grading Rubric

Criteria ↓ Rating →	Beginning = 1 pt	Developing = 2 pts	Proficient = 3 pts	Advanced = 4 pts
Completion	Drew 0-1 booklet pages.	Drew 2-3 booklet pages.	Drew 3-6 booklet pages.	Drew ~7+ (all) booklet pages. Paced the zoom-out visual story to fit the booklet pages.
Drawing effort	Rushed through the project; no details in illustrations.	Some time spent on project; some details in illustrations.	Focused and took time to include details in illustrations.	Included details on every page that communicated the context.
Understanding of concepts: <ul style="list-style-type: none"> • zoom out • scale • systems thinking 	Drew the inspiration object but lacked a continuous connecting visual storyline that zooms out and shows a bigger context for the object. Misunderstood some/all of the key concepts.	Made the connection of the inspiration object being the start of a continuous thread throughout the visual story but showed some confusion with the order and logic of the object’s size and context.	Clearly used the inspiration object as the key thread that initiated a connected visual story, with a logical reduction in its size and change in its surroundings and context, page by page.	Conceptualized and drew a connected and zooming-out storyline starting with the inspiration object, showing it becoming smaller and smaller, while revealing how it fits into a much bigger world.
Overall effort	Below expectations.	Met many expectations.	Meeting expectations.	Beyond expectations.
