Reflection Sheet

1. What substances did you choose to try?
2. How did you feel about each of their constraints (the cost, the environmental or health impacts, etc.)?
3. If you did not feel good about any substance and still bought it, why did you do so?
4. Were there any substances you chose not to use? Why?
5. How do you think your choice of substances impacted the Kingdom of Didd?
6. Overall, do you think you helped or hurt the Kingdom of Didd?
