Save the Snails! Science Journal Page

Instructions: Draw or write your designs in the design boxes. After building each design, answer the questions after building.

Designs and iterations	Questions after building
Design #1	Did your design: 1. Collapse into a smaller size? _____ 2. Fully block the light from the snail? _____ _____
First Iteration	Did your design: 1. Collapse into a smaller size? _____ 2. Fully block the light from the snail? _____ _____
Second iteration	Did your design: 1. Collapse into a smaller size? _____ 2. Fully block the light from the snail? _____ _____

Whole group discussion: What can we do differently to improve our design even more?
