## Post Assessment **Answer Key**

**Instructions:** Answer the following questions in complete sentences with correct grammar and punctuation. Please use good handwriting.

1. What material is stronger? Mark with an X

\_\_\_ straws \_\_\_ popsicle sticks \_\_\_**X**\_\_\_ LEGO blocks

Explain your answer:

**Answers will vary.**

2. In the story *The Three Little Pigs*, one house is stronger than the others. Which one is it, and why do you think that is?

**The house made of bricks is the strongest.**

**Potential answers:** This is because bricks are solid, heavy, and durable materials that can withstand the huffing and puffing of the Big Bad Wolf. The brick house is well-built and sturdy, showing the importance of hard work, planning, and using strong materials.

3. What is an important thing you can do to work well in a team?

**Potential answers:**

**To work well in a team, you should listen to your teammates and be kind. It's important to share your ideas and help each other. You should do your job and not let others do all the work. If someone has a different idea, you should still listen and try to work together. Working as a team means being nice, trying your best, and helping your group do a good job.**

4. List three steps you took to make your new house stronger.

**Answers will vary.**
